

## Computer

Introduction: Every morning, you go onto the school website for online learning. You watch videos of your teachers teaching you about different subjects and sometimes hand in homework to your teachers. Without the internet, you cannot complete online learning. Do you know how the internet works?

Instructions: Answer the following questions after watching the video. You can check your answers in the following page. You do not need to hand in these answers.

Video: How The Internet Works? | What Is Internet? | Dr Binocs Show | Kids Learning Video | Peekaboo Kidz
