## George's Marvellous Medicine

### Grandma Gets the Medicine

A) Number the sequence of events from the chapter in the correct order. The first one has been done for you.

\_\_\_\_\_ Grandma shoots straight up into the air and can't move or speak.

1 Grandma tells George to give her the medicine.

\_\_\_\_\_ George pours a jug of water into Grandma's mouth to put out the fire.

\_\_\_\_\_ George pours the whole spoonful of medicine into Grandma's mouth.

\_\_\_\_\_ Grandma's stomach catches on fire.

B) Circle the correct answer to the questions.

1. What time is it in this part of the story?

a. 10am

c. 12 noon

b. 11am

d. bedtime

2. What does George think about before he gives Grandma the medicine?

a. getting into trouble

c. the ingredients in the medicine

b. he feels sorry for Grandma

d. lunch

3. What does '**suspended in mid-air**' mean?

a. to be stuck floating in the air, unable to come down

b. to hold your breath as long as you can

c. to fly through the air like Superman

d. to jump up and fall straight back down to the ground

**C) Reread the description of Grandma when she is on fire (p. 41).  
Draw what you think she looks like.  
Be sure to add lots of detail and colour!**
