Notice No. 14
Stay Vigilant against the Spread of Chickenpox in Schools

Kindly note that two students of G6A have contracted chickenpox. These students are seeking medical advice and are on sick leave. The School immediately sterilized all the facilities on knowing this.

To avoid infection, it is important to take necessary precautions. Parents should measure children's temperature before they leave home for school everyday, and seek medical advice as soon as possible if their children develop symptoms of fever and itchy skin rashes. Please follow the medical advice and let the children stay at home for rest.

Meanwhile, parents should inform the School immediately if their children contract the chickenpox. Such information and contact details of students would be reported to CHP or relevant government departments on a need basis to help the School effectively control the spread of the disease.

通告第十四號
預防水痘在校內傳播

本校近日有兩名 6A 班學生患上水痘。該等學生已立刻求醫及留家休息，校方亦即時為各項校園設施進行消毒。

現謹請家長為子女採取各項防禦措施：每天上學前，家長請為子女量度體溫；如有發燒和痕癢的紅疹病徵，應盡快求醫，且須按醫生的病假指示留家休息。

此外，如子女患上水痘，請立即通知學校。學校在有需要時會向衛生防護中心或有關部門呈報學生的情況及聯絡資料，使防控工作可更有效地進行。

以上通告
一至六年級家長
