Graduation Dinner Consultation

Time flies. Six years of primary school life are soon coming to an end. To give this important stage of life a perfect close, it has been the tradition of the School to assist graduating students to organise a graduation dinner. Parents are an important part of this decision making. We value your opinion and hence, we are sending you the survey for your valuable suggestion. ***Please complete the reply slip via our School app*** by **13th March 2018 (Tuesday)**.
