Notice No. 32

Stay Vigilant against the Spread of Hand, Foot and Mouth Disease (HFMD) in School

Kindly note that several students of G2 have contracted Hand, Foot and Mouth Disease (HFMD). These students are seeking medical advice and are on sick leave. The School immediately sterilized all the facilities on knowing this.

To avoid infection, it is important to take necessary precautions. Parents should measure children's temperature before they leave home for school everyday, and seek medical advice as soon as possible if their children develop symptoms of fever, sore throat and skin rash over the hands and feet. Please follow the medical advice and let the children stay at home for rest.

Meanwhile, parents should inform the School immediately if their children contract HFMD. Such information and contact details of students would be reported to Centre for Health Protection or relevant government departments on a need basis to help the School effectively control the spread of the disease.

通告第三十二號
預防手足口病在校內傳播

本校近日有數名二年級學生患上手足口病。該等學生已立刻求醫及留家休息，校方亦即時為各項校園設施進行消毒。

現謹請家長為子女採取各項防禦措施：每天上學前，家長請為子女量度體溫；如有發燒、喉嚨痛及於手足處長出皮疹的病徵，應盡快求醫，且須按醫生的病假指示留家休息。

此外，如子女患上手足口病，請立即通知學校。學校在有需要時會向衛生防護中心或有關部門呈報學生的情況及聯絡資料，使防控工作可更有效地進行。

以上通告
一至六年級家長

校長
