### **Visit to Kadoorie Farm and Botanic Garden**

In order to further your child's understanding and appreciation of nature here in Hong Kong, our School has organised a field trip to Kadoorie Farm and Botanic Garden in Tai Po. Students will go on a nature walk and explore the gardens in order to learn more about the current and upcoming science topics. Details of this mandatory field trip are as follows:

Date: 17<sup>th</sup> April 2019 (Wednesday)  
Time: 8:30 am – 12:30 pm  
Fee: \$78 (will be directly debited from your bank account)  
Dress Code: School P.E. uniform  
Remark: Students will return to School for lunch and the lessons in the afternoon after the trip

In order to make the trip a success, our School will require a few helping hands. We will need six parent volunteers per class and a confirmation email will be sent to the selected parent volunteers on a first-come, first-served basis. Thank you.

***Please complete the reply slip in our School app*** by 25<sup>th</sup> March 2019 (Monday). Should you have any further concern, please contact your child's English teacher on 2813 8410.
