3. A report after each examination will contain the overall results of all the subjects. Any student failing (scoring below 60) in any of the core subjects (Chinese, English and mathematics) will be required to repeat the same grade.
4. The decision of promotion or repetition will be made in the year-end meeting after discussions between the Principal and the concerned teachers.
5. To get the admission of S1 in St Stephen's College, the first basic criterion is that the student should score 65 or above in the total for the core subjects (Chinese, English and mathematics) respectively in both G5 and G6.
