2018-19 ECA / School Teams Evaluation form

In order to improve our ECA / School Team training quality, we are looking for your valuable feedback on our present format. We would highly appreciate if you could complete the attached evaluation form along with your child and return it by 9 Jan 2019. In case, your child participated in more than one activity or was a part of multiple school teams, separate Evaluation Forms would have to be filled for each. All views and comments are for internal use only. For enquiries, please call Mr Eddy Kam at 28138410.
