The Internet can be a wonderful place to learn, shop, play games, and talk to your friends. Unfortunately, there are also predators, identity thieves, and others online who may try to harm you. In order to be safe online, it's important for you to be aware of the dangers.

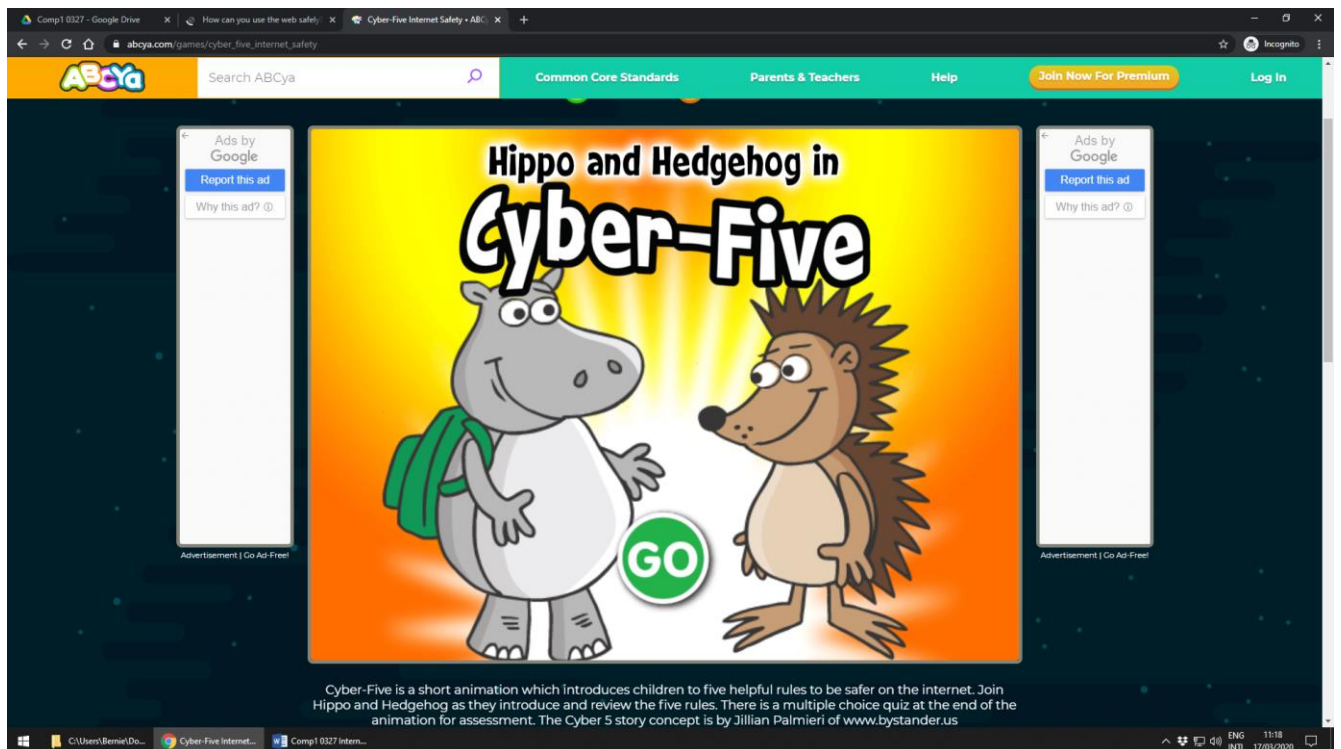

What is the Internet?

The screenshot shows a web browser window displaying the ABCya website. The page features a navigation bar with the ABCya logo, a search bar, and links for 'Common Core Standards', 'Parents & Teachers', 'Help', 'Join Now For Premium', and 'Log In'. The main content area is dominated by a large, colorful advertisement for the 'Cyber-Five' game. The ad features a cartoon hippo and a cartoon hedgehog standing on a yellow and orange background. The text 'Hippo and Hedgehog in Cyber-Five' is prominently displayed. Below the characters is a green circular button with the word 'GO'. The advertisement is flanked by two 'Ads by Google' sidebars, each containing a 'Report this ad' button and a 'Why this ad?' link. At the bottom of the page, there is a small text block providing a description of the game: 'Cyber-Five is a short animation which introduces children to five helpful rules to be safer on the internet. Join Hippo and Hedgehog as they introduce and review the five rules. There is a multiple choice quiz at the end of the animation for assessment. The Cyber 5 story concept is by Jillian Palmieri of www.bystander.us'. The browser's taskbar at the bottom shows several open windows, including 'Comp1 0327 - Google Drive', 'How can you use the web safe...', 'Cyber-Five Internet Safety - ABCya', and 'Comp1 0327 listen...'. The system tray in the bottom right corner shows the date and time as '11:18 INTL 17/03/2020'.
