A Trip to the Farm

KEY

past tense

time words

adjectives

When I was in grade 2, I went on a field

trip and visited a huge farm in a small town called

Chatham, Ontario in Canada. I went with my classmates

and my teachers. My mum also came too!

When we arrived at the huge farm, I was so excited

because I love animals and nature. *First*, a kind farmer

met us at the small entrance of the farm. She showed us

where the red barn was and where all the cute farm

animals lived. *Next*, she took us to the stinky pig pen to

show us the adorable piglets. She showed us the tall

maple trees near the farm. *Finally*, she took us to see the

noisy chickens and we learnt how chickens lay eggs! The

farm even had beautiful horses! I even got to pet a horse.
