

Grade 3: Instructions to Submit the Problem Worksheet (effective from 3rd April)

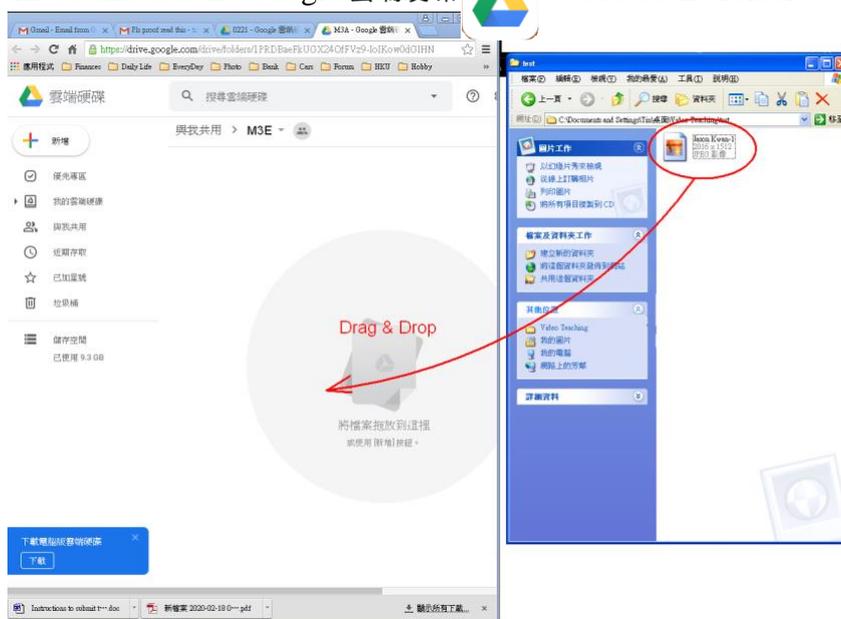

- ✧ The problem worksheet will be given on every other Friday. Students should finish it and submit it on coming Monday.
- ✧ Submission: The printout should be photographed/scanned (most preferable file type, less than 1M) and uploaded to the Google drive folder for your class. Students should have a Gmail account in order to use the Google drive.
- ✧ The name of the jpg file should have this format: **full name-ws_number**
 - For example: *Jenny Chan-ws1*
- ✧ Marked work and model answer will be uploaded to Google drive by coming Wednesday

Procedures to upload your jpg file with PC:

- ✧ Click the link of your class's Google drive folder below or copy it into the web address box of your browser.
- ✧ Drag your *jpg file* into the folder.

Procedures to upload your jpg file with smart phone

- ✧ Download and use the Google 雲端硬碟  to access the folder

- ✧ Visit the Google drive folder on coming Wednesday to check if there is a file named as yours with “-marked”
