

Dear Parent & Student,

We extend a warm welcome to all students joining us for the first time this year, as well as to those returning. As we prepare for the 2025-2026 academic year, we wish you and your family all the best. Sodexo (Hong Kong) Limited is excited to introduce ourselves as the new catering service provider for St. Stephen's College Preparatory School.

Sodexo's extensive experience in catering for schools in Hong Kong and around the globe allows us to bring our expertise in providing tasty well-balanced meals to students of all ages. As the world's leading provider of catering services to educational establishments, we place the highest emphasis on health and safety in our menu planning, preparation, and execution. We are eagerly anticipating a successful year of serving the St. Stephen's College Preparatory School community.

Sodexo Hong Kong plays a significant role in reducing our carbon footprint, supporting our commitment to sustainability. We exclusively use cage-free eggs for the education segment and source from local farm & honey for our culinary offerings. In addition to these practices, Sodexo organizes bespoke activities throughout the year, including 'Taste Around the World' events, 'Foodie Lab' sessions, and nutrition knowledge workshops. These initiatives aim to enhance the dining experience, promote food education, and contribute to the overall well-being of our community.

If you have any questions or feedback, please do not hesitate to contact us at unit.SISHK.hk@sodexo.com. We will stay in communication with you as we approach the commencement of the upcoming academic year.

We are looking forward to a great year serving the St. Stephen's College Preparatory School community. We wish you and your family a successful 2025-2026 academic year and thank you for your continued support.

Kind regards.
